Brajan AVIA **Item: 2**
MKD athlete absent from Pole Vault Men

Your athlete, Brajan AVIA, did not start in the Pole Vault this morning, 20th June. We understand the reason was given for his absence at the Call Room that he would not compete in the Pole Vault because he was also competing in the Triple Jump.

According to Technical Rule 4 of World Athletics, as shown in the Team Manual, paragraph 7.2.5, any athlete who, after final confirmation has been submitted, fails to participate in the event without giving a valid reason (eg a medical certificate provided by and based on an examination of the athlete by the Medical Delegate apppointed) shall be excluded from participation in all further events in the competition, including relays.

In this case, if he had arrived at the pole vault, taken one trial when called,and then retired from the competition, this could have satisfied the requirement to take part in both events with bona fide effort.

Because he made no attempt to start in the Pole Vault he will be deleted from all further events, including the relays.

KOS athlete absent from Long Jump Men
Erudit RYSHA (kos)

Item: 3

Your athlete, Erudit RYSHA, did not arrive at the Call Room for the Long Jump this morning, 21st June.

According to Technical Rule 4 of World Athletics, as shown in the Team Manual, paragraph 7.2.5, any athlete who, after final confirmation has been submitted, fails to participate in the event without giving a valid reason (eg a medical certificate provided by and based on an examination of the athlete by the Medical Delegate appointed) shall be excluded from participation in all further events in the competition, including relays.

In this case, it is essential that you provide evidence why the athlete was unable to compete at the Long Jump today to the Technical Delegates. This evidence must be provided before the relay team declarations this morning or he will not be allowed to compete in the 4x100m relay. He will also not be allowed to compete in the High Jump tomorrow.

If the reason for his absence from the Long Jump is a medical reason, he would not be allowed to compete in the 4x100m relay, according to TR4.4, but could be allowed to compete in the HIgh Jump if the Medical Delegate recommends this to the Technical Delegates.
